

THE MARITIME DAIRY INDUSTRY AWARD

Various partners of the Maritime dairy industry have established the Maritime Dairy Industry Award in order to support the academic efforts of students committed to securing the future of a successful dairy industry.

APPLICATION REQUIREMENTS

- Resident of either N.S., N.B. or P.E.I. (minimum of 24 months prior to post-secondary studies)
- Currently attending a post-secondary education institution within Canada.
- Completed at least 2 years of post-secondary education and currently enrolled in a program that has application to the dairy industry.
- Applicant must show professional and academic promise and a commitment and interest in the dairy industry.
- Applicant must complete the application form; include an updated résumé, a one-page letter stating their commitment and interest in the dairy industry, an official transcript of marks for all completed years in post-secondary education; and have three reference letters (at least one from a professor) sent to the Scholarship Committee.

AWARD

Two scholarships of \$2,000.00 each will be awarded.

SELECTION CRITERIA

Selection will be based on the following:

- Application requirements (as indicated above)
- Academic standing
- Potential contribution and commitment to the dairy industry

*** Please note: Past recipients of the Maritime Dairy Industry Scholarship will not qualify for a second scholarship. Applicants re-applying for the scholarship should ensure that a new application with updated documents is sent as the Scholarship Committee will not review previous applications. If all requested documentation listed in the CRITERIA section is not received at the Dairy Farmers of Canada office by the deadline date of the 30th day of April 2012, the applicant will be automatically disqualified.**

DEADLINE

Completed applications must be received by The Maritime Dairy Industry Scholarship Committee in care of Dairy Farmers of Canada no later than the 30th day of April 2012.
Please ensure that all documentation is sent to Ms. Joan Desjardins's attention.

Visit dairynutrition.ca for additional copies.

Please Note: The cash awards will be given to the successful candidates the following September, upon the institution's official confirmation of enrollment in the applicant's field of study for the academic year.
